

BEATRIZ MALDONADO, Ph.D.

Mountain View, CA ♦ 323.952.1133 ♦ bem0318@gmail.com

EDUCATION

University of Illinois at Urbana-Champaign (UIUC) August 2015 - May 2022
Ph.D. in Sociocultural Anthropology; Minor in Latina/o Studies

Scripps College, Claremont Colleges Consortium August 2011 - May 2015
B.A. in American Studies and Spanish Literature (Cum Laude, Dual Major Honors Thesis)

PROFESSIONAL EXPERIENCE

The Claremont Colleges Services. *Associate Dean of Students.* August 2024 - May 2025

- Supported academic, social, and professional development programming for the Chicano Latino Student Affairs Center; positive feedback **Kudo Board** from students, staff, faculty, and community members.
- Provided individualized consultations and tailored mentorship for students through their academic and career trajectories, including college major requirements, scholarship and grant applications, mock interviews, employment opportunities, graduate school admissions and/or post-graduate fellowship programs.
- Assisted students with academic advising, writing support, career exploration, research and internship opportunities, mentorship strategies, teaching pedagogies, and learning environments.
- Designed, facilitated, and assessed student-centric programs, including cultural heritage celebrations, professional development seminars, leadership trainings, and academic support workshops.
- Led budget planning and financial strategy for student programs by partnering with faculty, staff, donors, and external stakeholders to allocate resources, secure sponsorships, and raise funds; analyzed participation and cost metrics to guide data-driven decisions and maximize impact within budget constraints.

Girls Who Code, (GWC). *Regional Outreach Coordinator.* October 2023 - July 2024

- Advanced national access to computer science education by forming strategic partnerships with K-12 schools, libraries, nonprofits, and community based organizations in California, Hawaii, and Alaska.
- Managed regional outreach strategies and conducted campaign planning research using quantitative data dashboards, trend analyses, and nonprofit mission-oriented metrics.
- Worked collaboratively with other national Regional Outreach Coordinators to address new weekly projects, deliverables, and program outreach needs to increase participation and information about clubs, summer immersion programs, and college networking groups.
- Delivered presentations and events that strengthened partnerships and expanded equitable program reach.

Department of Anthropology, (UIUC). *Research Assistant.* August 2015 - May 2022

- Conducted qualitative and quantitative data analysis, coding, and grant proposal revisions.
- Designed data collection protocols and managed participant recruitment for collaborative studies.
- Collected and analyzed program data for undergraduate research trainings and syllabus assignments.

UIUC Summer Research Opportunities Program, (SROP). *Coordinator.* May 2020 - August 2021

- Coordinated SROP 2021 curriculum online for 45 underrepresented undergraduate students (students of color from low-income, first-generation, and migrant communities) and graduate student staff.
- Utilized real-time adaptability approaches to guide students step-by-step in learning accessible and equitable resources about graduate school research experiences (ethics in research, CV and Resume building, personal statements, funding graduate program, and effective research conference presentations).
- Facilitated weekly staff meetings, professional development seminars, virtual conference trainings and orientation, and partnerships with faculty mentors at the University of Illinois.

Heart of Los Angeles (HOLA). *Academics & Enrichment Coordinator.* August 2019 - March 2020

- Designed enrichment programs, academic interventions, and philanthropy nonprofit efforts to support high school student success, career pathways, and preparation for college admission applications.
- Coordinated academic intervention workshops (study skills, subject-specific bootcamps, Advanced Placement (AP) and Honors courses) for first-generation students from low-income and/or migrant families.
- Collaborated with donors, mentors, and community volunteers to deliver culturally responsive instruction

Girls Who Code. *Supervisor.* Summer 2017 & 2018

- Managed six LA-based programs (managed staff, logistics, and budgets) hosted by Disney, AT&T, Warner Bros., Salesforce, Blizzard Entertainment, and the University of Southern California (USC).

SELECTED RESEARCH EXPERIENCES AND PRESENTATIONS

UIUC Graduate College - Dissertation Travel Grant July 2019 - August 2022

This ethnographic research focused on migrant life narratives and stories of violence. Data collection focused on field studies, participant observation, surveys, interviews, and diary studies of 80 participants.

Center for Latin American and Caribbean Studies Tinker Fellowship May - July 2017

Summer fellowship project investigated El Salvador's civil war and the intimate relationship with memory, affect, and post-war reconciliation through archival research, participant observation, and community interviews.

Maldonado, Beatriz (2019, November). *Remembrance and memorialization: Exploring Salvadoran families' Contributions to monuments of the disappeared.* Paper Presentation at the American Anthropological Association (AAA) conference and the American Studies Association (ASA) conference.

COMMUNITY AFFILIATIONS & PROFESSIONAL DEVELOPMENT

Scripps College Academy (SCA). *Scholar & Mentor.* August 2008 - present

Aside from pre-college preparation, members are able to learn about financial aid, professional development, and school management through community building workshops and fieldtrips. Upon becoming a Scripps College student, I served as a tutor, senior intern, car driver, and mentor to new incoming SCA scholars.

Neighborhood Academic Initiative, USC. *Scholar & Mentor.* August 2005 - present

In association with the University of Southern California (USC), the Leslie and William McMorrow Neighborhood Academic Initiative program extends to building a college-preparatory environment with tutoring, mentoring, and college-like experiences for low-income students of color.

ACHIEVEMENTS

The American Association of Hispanics in Higher Education (AAHHE) and Educational Testing Service (ETS) Outstanding Dissertations Competition 3rd place (2022); National Science Foundation Honorable Mention (2016); Employee of the Year: Scripps College Academy, Scripps College (2015); Questbridge Finalist (2011).

SKILLS

Research methodologies include nonprofit strategic planning, ethnography, field studies, qualitative storytelling, quantitative analytical skills, recruitment and outreach, participant observation, data analysis, surveys, interviews, diary studies, international and interdisciplinary research; Institutional Review Board (IRB) approval for all research projects

Language fluency in Spanish and English reading, speaking and writing; teaching and translation practices

Computer Skills include Microsoft Office, Google Apps Suite, CRMs/spreadsheets, Dropbox, Box, LaTeX, Tableau, Trello, Salesforce, Slack, Zoom, database/program management applications, basic programming

Interpersonal skills as goal-oriented, collaborative, and emotionally intelligent
